

Letter from the 2007 TLHB President...

As President of the Twin Lakes Home Builders Association, I would like to welcome you to our 17th Annual Home Show & 13th Annual Parade of Homes. The Home Show will take place at the Baxter County Fairgrounds and will feature over 200 booths

displayed by the associates and material suppliers of the TLHB. **There is a \$2 admission to the Home Show and 100% of that money goes towards scholarships.**

This year's Parade of Homes will feature 14 homes constructed by twelve of the TLHB's professional builders.

The Twin Lakes Home Builders was formed in 1965 by Dale Lee and 8 other members. (Dale is still an active member). Today, our membership is 184, which is the 4th largest association out of the 17 locals in the state. I am proud to say, we are larger than Jonesboro, Hot Springs, West Memphis, Pine Bluff and Texarkana.

Our members are also well represented at the state level. With 3 of the last 6 Associate of the Year awards going to a TLHB member: Bob Wedgeworth from Marchants Building Center, Jerry Estes from North Arkansas Electric and Karen McKee from North Arkansas Electric. And this year, I will serve as your AHBA Secretary/Treasurer.

We invite you to take advantage of the events we have planned and use these opportunities to meet our members and view their products.

Remember...when you build a home, be sure to use a builder who belongs to the Twin Lakes Home Builders Association!
